

BIOZONE Mini PowerZone Series

Genuine Pure Air for the Community

⊖ Recurring Problems in Communal Facilities

- Infectious micro-organism
- Unpleasant odor
- Mold and harmful impurities
- VOC's from business and industrial environments

⊕ The Mini PowerZone Air Purifier

- Purifies with quintuple actions
- Destroys odor, bacteria, viruses, mold, fumes and other airborne impurities
- Economical
- No need to use consumable chemicals, filters or scents

⊕ The Mini PowerZone Advantages

- Improve indoor air quality
- Safer working and public environments
- Customers and staff satisfactions
- Effective and advanced

BIOZONE Mini PowerZone Series : MPZ-I / MPZ-II

Sanitary condition of waste rooms in HK is extremely POOR!

A journalist filed the eye-witness report on the sanitary condition of the waste room near a local kindergarten: "The garbage is piled up high and gives off foul odor, which attracts rats, flies, mosquitoes and cockroaches, as a threatening to the public health."

Garbage Room

Grease Trap

Restrooms

Photo Plasma - Most effectively reduce bacteria, viruses, mold and VOC. Also, remove airborne VOC and unpleasant odor.

Deep UV Light - Clear micro-organism that passes through the surface of equipment and minimize the bacteria and viruses to grow.

Photo Catalytic Oxidation (PCO) - Destroy VOC on the surface of special materials, reduce the growth rate of bacteria and remove odor efficiently.

Negative Ions - Cut down the concentration degree of harmful chemicals; balance the quantity of positive ions making the air quality fresher.

Ozone - Reduce the quantity of germs, viruses, mold and VOC while destroying airborne VOC and unpleasant odor.

Bacteria Reduction Test

The mean results indicated reductions in the levels of bacteria and mold by as much as 99%. Levels of VOC's were reduced from 25 mg/cm³ to 4 mg/cm³. Particles of 0.015-2.5 µm size were reduced from 2200/cm³ to 40/cm³.

Specifications :

Model No.	MPZ - I / II
Dimension (mm)	487x135x93
Net Weight (gm)	1750g
Power Input	110-240V 50-60Hz
Power Adaptor	12VDC
Limited Warranty	One Year

* Specifications and design are subject to change without notice.

Technology:

Purified Air Zone

Photoplasma Air Purifiers Effectively Eliminating Airborne and Surface H1N1, H5N1 & H5N2 virus
